

Turny® Evo

The BraunAbility® Turny® Evo - a vehicle seat that swivels and lowers for easy, safe transfers in and out of your vehicle for you or your loved one.

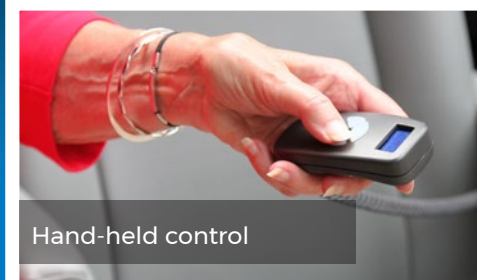

SIMPLE, SAFE, RELIABLE MAINTAIN YOUR LIFESTYLE WITHOUT WORRY OR STRAIN

Enjoy every journey without the fear of a fall or injury. The BraunAbility® Turny® Evo rotating seat lift makes getting in and out of tall vehicles easy and safe. This worry-free solution is an ideal alternative for anyone with limited mobility or wheelchair users who are looking for easier transfers in and out of a vehicle.

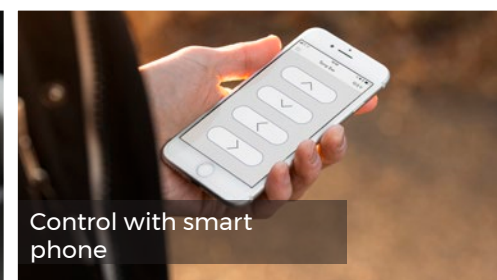

Turny® Evo Features:

- Fully powered: rotates, extends, moves up/down
- Full recline with levers on both sides of seat
- Power forward/backward
- One-button operation via hand-held control or smart phone app
- Integrated flip-up footrest
- Ultra-quiet operation
- Travel time takes 35-65 seconds depending on seating position and vehicle application
- Original seat is removed and unmodified; easily reinstalled
- Manual backup system for peace of mind
- Eligible for applicable automotive manufacturer rebates
- 3-year limited warranty (3 year parts/1 year labor)
- OEM seat application available on select chassis types – contact your BraunAbility dealer for more information
