Build Some Shelf Respect

Flat-Out Awesome

Our folding shelves fold flatter than the competition's to maximize van interior space. Perfect for parcel delivery applications, they're lightweight and easy to install, and each shelf is rated to 150 lbs. Made out of aluminum, with uprights of powder-coat finished steel for extra rigidity.

TRADE PACKAGES

HVAC

Accessories like refrigerant tank holders, perforated partitions, and many other features make an ideal choice for HVAC and plumbing technicians.

ELECTRICAL CONTRACTOR

With plastic bins, drawer units, and organizer inserts, there is plenty of space for organizing small parts, switches, and connectors. Larger storage areas keep your equipment and tools secure and out of sight.

PARCEL

Folding shelves maximize van interior space - lightweight and easy to install. Each shelf is rated to 150 lbs.

This Is Highly Personal

Your van should fit the way you work like a glove. That's why Holman gives you so many options and accessories. Maximize your productivity by building your van, your way.

SAFETY & SECURITY

From security products—like window screens and locking door partitions—to sanitation stations, PPE storage, and road safety equipment, we have all you need to stay safe on the road.

Hard Hat Holder

All Within Reach

Holman's continuous investment in our facilities, and SAE & ASTM manufacturing processes, means you're installing the most dependable ladder racks in the industry.

DROP-DOWN LADDER RACKS

Get easy access to ladders with a simple pull of a handle.

CLAMP & LOCK LADDER RACKS

Easily lock and unlock ladders for quick get-up-and-go.

CARGO RACKS

Carry materials, ladders, and more. With a 1,000 lb. capacity, carry what you need when you need it.

Holman ladder racks accommodate all standard ladder types with little or no adjustment required. They have minimal moving parts for maintenance-free operation, and they install in half the time as the competition. They feature a low profile both when stored and during actuation. And the stepladder bracket add-on doesn't require an expensive third crossbow. Available in steel and HD aluminum.

Over the Top

Holman makes the strongest production racks available, with bigger, thicker round tubes and with extensive gusseting of the legs and crossbars. They also feature ergonomic drop-down handles to make it easier to step up to your truck. Year after year, job after job, you can rely on our racks to stand the test of time.

PRO RACK HEAVY DUTY

Constructed with a 2" diameter steel tube frame and 5" swaged joints, the Pro Rack comes with optional forklift loadable side rails, so you can raise your truck game, literally.

PRO III MEDIUM DUTY

Made with 1.625" diameter x .083" thick tubing, the Pro III is a lighter racking solution than the Pro II.

PRO IV HD ALUMINUM

With the Pro IV, light doesn't mean weak by any means. Fabricated with 2" diameter x .12" thick T-6 aircraft aluminum.

Make your truck racks perform just the way you want with Holman's wide range of rack accessories, from tie-down and ratchet straps to light mounts, extra crossbars, and more.
